

Date: 14- July 2014

To: United States Environmental Protection Agency

From: Torm Safety.

Good day Sir/Madam.

Subject: Torm Anne – MARSHALL ISLANDS Flag – IMO no 9180982  
Contact information for fuel suppliers referenced in the form

A FONAR submission report has been filed for Tom Anne expected to arrive New York on 18<sup>th</sup> July 2014.

Following fuel suppliers were contacted to supply compliant fuel:

1. World Fuel Services, Inc,  
Contact person: Christopher Brembor  
23 Wallace Street, Suite 1000 Red Bank, NJ 07701  
Tel: +001 7326232400; 001 7327884290  
Email: [cbrembor@wfscorp.com](mailto:cbrembor@wfscorp.com); [njsupply@wfscorp.com](mailto:njsupply@wfscorp.com);  
[njbroker@wfscorp.com](mailto:njbroker@wfscorp.com)

Please note that World Fuel services Inc is one of the largest fuel oil suppliers in North America. Torm A/S has used their network and expertise in this area to try and source complaint fuel. World fuel Services have tried to contact several local suppliers to supply fuel in the vicinity of the vessel but have not been able to do so due to non-availability of low sulphur fuel in the area.

A handwritten signature in black ink, appearing to read 'Aditya Gupte', enclosed within an oval-shaped stamp.
